

ADITYA SINGH

B.Tech Student in Computer Science & Engineering

📞 8851529310 @ aditya912singh@gmail.com 🔗 linkedin.com/in/aditya-singh-a1867a324

SUMMARY

A B.Tech CSE candidate with proven expertise in Web Development and Cybersecurity. Leveraged technical skills to deliver a significant website design project and participate in a Cybersecurity job simulation. Demonstrated commitment to continuous learning and teamwork through consistent success in coding challenges and team-based hackathons.

EXPERIENCE

Participant

Deloitte Australia

📅 06/2025 - Present

Cyber Job Simulation

- Completed virtual cybersecurity simulation
- Learned practical cybersecurity concepts

EDUCATION

B.Tech

Dr. Akhilesh Das Gupta Institute of Professional Studies

📅 08/2024 - 08/2028

PROJECTS

Bella Vista Restaurant Website

📅 06/2025 - 08/2025

A project involving the creation of a responsive website for Bella Vista Restaurant

- Built a responsive restaurant website using HTML & CSS
- Designed UI with sections for menu, about, and contact

STRENGTHS

Skills

Strong programming skills in multiple languages and frameworks

KEY ACHIEVEMENTS

Achievements

Solving coding challenges online and participating in hackathons and coding contests

SKILLS

HTML

CSS

Cybersecurity

C/C++

JavaScript

React

Tailwind CSS

Wordpress/Figma

Nodejs

Expressjs

INTERESTS

Interests

Engaging in team sports such as cricket and basketball, emphasizing teamwork, discipline, and commitment
